

# ABBEYMEAD HOUSE CHERTSEY

**Client:** CBRE Global Investors

**Contract Value:** £650,000.00

**Duration:** 12 weeks

Internal and external refurbishment of a three-storey office building, in preparation for the incoming tenant.

Including: glazed partitions, acoustic ceilings, partitions and floor finishes.

Creative Construction were commissioned by CBRE Global Investors to carry out a complete internal and external refurbishment of a dilapidated office building in Chertsey, in preparation for the incoming tenant Distrupol Univar.

The project was a 'partial design and build' which required close liaison with the tenants nominated architect 'Ten Design', to create a mixture of open plan office, collaborative working space, break out areas, meeting rooms, a board room, offices and entrance reception.

The main scope of the works included: acoustic ceilings, new partitions, wall finishes, internal doors, glazed screens and partitions, floor finishes, suspended ceilings, bathrooms and shower rooms, refurbished lift, new staircase, decoration, tea point and new services including complete Mechanical & Electrical design and installation.
